

# INNKEEPER'S WINE NOTES

1976 was the year I made the transition from Wallstreeter to Innkeeper. Just prior to purchasing the Inn, I spent several months living in California. I had the opportunity to visit some great vineyards and taste some wonderful wines. At that time, wine from California and other areas of the U.S. were not given much respect on the East Coast. However, imbued with a sense of patriotic fervor (Bicentennial Year) and my experience tasting some superb wines from California, I chose a wine list with only domestic wine. I have maintained that tradition for over 30 years.

I hope you enjoy these wines as much as I do.

Jim Dey, Innkeeper
